

# Working with TMR and recruitment's advantages

## SPECIALIZATION

We are specialists in the field with a dedicated focus on the niche we're active in. **We understand what you're looking for.**

## NETWORK

Our network is defined and is aimed at people with valuable (transferable) skills for **music, media and entertainment.**

## MARKET KNOWLEDGE

Due to our market knowledge we add a lot of value to the process which **transcends the recruitment process** alone.

## TIME SAVING

Hiring a specialist to find and screen candidates for you, will save you a lot of precious time.

## EXTENDED REACH

A recruiter knows how to find and bring qualified people on board that are not actively applying to your roles.

## MATCHMAKING

We make the difference between making that dream candidate join the band, or being late to the party.

## BRANDS

We work for some of the hottest brands in the industry and we keep adding new ones to our portfolio.

## USEFUL GUIDANCE

We partner up with you to make that job happen. Even the most experienced candidates appreciate our guidance.

## TRANSPARENT FEEDBACK

We always ensure honest and transparent feedback is given during the process. If we don't see the match, we'll say it.
